

# TIMO BRON

LEVEL DESIGNER

I am an experienced Level Designer at Crytek working on Crysis 4, the new instalment in the acclaimed singleplayer first-person shooter franchise. I'm driven by my passion for shaping engaging environments and unique player experiences, and always wanting to learn and grow.

I graduated from the International Game Architecture and Design course at Breda University of Applied Sciences in the Netherlands, where I was driven to level design by my interest in architecture and urban design and my affinity for art and user-centric design.
